Introduction

MS Monster Global offering scent-marketing solutions for enterprises. With the use of fragrances, the consultancy helps companies conquer consumers' olfactory sensory experiences, establish brand image and promote customers' loyalty towards the brand.

Upholding the brand-building spirit of “the power of smell”, the innovative label MS Monster gradually evolved from a fragrance product maker to a brand name offering a wide range of products.

Primarily focusing on the research and development of spatial scent-diffusion system, MS Monster also committed to develop aroma-based memory recognition technology and other natural fragrance products. The incorporation of fragrances as a marketing strategy concept is mainly presented in venues like hotels, theatres, airports, chain supermarkets, offices, club houses, high-class residential housing, showrooms, etc.

Perfume has the power to evoke memories, stir emotions, and make lasting impressions.

Vision

A future of accessible aroma spaces. Striving to create a new aroma culture

The incorporation of fragrances as a marketing strategy concept in venues of workspace where customers visits a business premise and automatically insinuate the olfactory senses with the visual senses to the branding of the business entity

Mission

To provide client with quality and full of satisfaction. Fast and flexible services to achieved satisfaction of client need and demand.

To enhance everyday living by providing delightful and serene fragrance solutions that elevate the ambiance and mood of any space, promoting a sense of well-being and creating positive sensory experiences

Objective

To ensure continuous return of income to strengthen and stabilize the company in every project done by the company and also to improve the quality to deliver satisfaction for better life and environment.

Aroma Space Design using essential oils in commercial spaces, medical/nursing care facilities, offices, hotels and other public spaces.

Development and sales of professional diffusers for the provision of Aroma Space Design, and space coordination for maintenance and management.

Development and sales of personal-use diffusers and oils to colour living spaces with aroma and of automobile diffusers for enjoyment of aromatherapy in vehicles.

Providing custom scent of fragrances to the client end product such as perfume, body lotion, fabric perfume etc.

Original aroma design matched to customers' needs, and consulting on the use of various scents.

Laboratory

Developing more trustworthy and quality services

Upholding the brand-building spirit of “the power of smell”. We do paradigm shift from expected smell of a pharmacy to a pharmacy which smells of meadows of e.g. lavender or any customizable smell favored.
